**Headline:** Do You Really Want to Tell Them Vacation's Over?

Work will always be there. The opportunity to make memories, on the other hand, is fleeting. And with the Dew Drop Inn's buy-two, get-one deal, you get another chance to make lifelong memories on us.

Stay two days in our spacious, comfortable rooms and get one day free. That's one more day to explore our wide variety of wineries, our scores of delicious restaurants and our miles of beautiful trails, gorges and waterfalls.

Or one more day of cannonball contests, slightly sunburned cheeks and the smell of sunblock and chlorine when you kiss them goodnight.
